Diljit Dosanjh and Kriti Sanon starrer "Arjun Patiala"™ is one of the much-anticipated films of the year.

According to the reports from the close sources, the release date of the film has been shifted. Earlier the film was expected to hit the screen in September but now the filmmakers have shifted the release date without giving any official reason for the same.

The film starring Diljit Dosanjh, Kriti Sanon, and Varun Sharma in the lead role is a comedy film where both the actors are playing as cops and Kriti, a reporter who is always looking for a meaty story.

Under the direction of Abhishek Chaubey, the release date of the film will be announced soon.
