The success of Padmaavat cannot be hidden from the audiences who have watched the film and praised it beyond words.

Â

The spectacular performance done by Ranveer Singh as Alauddin Khilji in the Sanjay Leela Bhansali's film, Padmaavat has touched hearts of millions. Â Though he played the role of an antagonist in this film but still, his acting stole the spotlight from the superstars like Deepika Padukone and Shahid Kapoor.

Â

Padmaavat no doubt, is running at the box office and bringing more and more business every day. This movie has already entered the category of movies under Rs 200-crore club. Post this success rate, the actor; Ranveer Singh has hiked his fee.

Ranveer Singh has lot many projects in the pipeline. He is already shooting for the Gully Boy to act as a rapper. After that, fans would see him in the film directed by Rohit Shetty. This perhaps would be an entertainer film. Then he would be seen in a film directed by Kabir Khan that narrates the story of a legend from the Cricket, Kapil Dev.
