The best thing about this film is that it will bring together Sanjay Dutt and Madhuri Dixit on the big screen after a long gap of 21 years. The two of them have acted together in films like *Thaanedar*, *Mahaanta*, *Khalnayak* and surprised audiences with their sizzling chemistry on-screen.

According to the reports from the close sources, Sanjay Dutt and Madhuri Dixit might not have any scene together in the film.

If the reports are to be believed, Sanjay and Madhuri shot a few dramatic sequences together with Varun Dhawan and Alia Bhatt. There was no awkwardness between the stars and the two shot their portions of the scenes smoothly.

Madhuri replaced Sridevi in *Kalank* after she had an untimely death this year. Under the direction of Abhishek Varman, and production by Karan Johar, the film is definitely going to be a big hit.
