Alia Bhatt is currently on the cloud nine. This year the actress gave her hit film "Raazi" and is ready to star in multiple ambitious projects.

Ayan Mukerji's "Brahmastra" alongside Ranbir Kapoor is one of the films that her fans are eagerly waiting ever since the filmmaker announced the making of this film. This film will have Megastar Amitabh Bachchan also.

She said that she feels so grateful that she got a chance to work with these legendary stars.
