Ek Villain directed by Mohit Suri in the year 2014 set the cash flowing for the director and the actors and the actresses who played in the film. The makers of that film are planning to come up with the sequel to the film, Ek Villain 2. But this time, the actress Shraddha Kapoor will be replaced by Kriti Sanon.

The actress would be seen playing the lead role with Sidharth Malhotra in the upcoming film, Ek Villain 2.

Kriti Sanon is climbing the ladder of success this year. With her big-hit Bareilly Ki Barfi, the actress is superbusy with her projects.

This 27-year-old actress is currently shooting for the film, Arjun Patiala. Recent reports suggest that Kriti Sanon has been approached for the lead lady role in Ek Villain 2. Though no official announcement has been made so far but rumors around are strong and the actress will be seen romancing the actor, Sidharth Malhotra in the upcoming sequel.

Kriti has really proved her talent in the film, Bareilly Ki Barfi, and she is now busy with her interesting projects. Sidharth Malhotra is also busy with Aiyaary.
