Multi-starrer "Kalank" is one of the much-awaited movies of this year. Abhishek Varman has begun the next scheduled shoot of this film in Kargil with Varun Dhawan, Alia Bhatt, and Kunal Kemmu.

It seems that Varun is experiencing a spine-chilling moment on the set while shooting bare-chested in minus three-degree temperature. The actor shared his picture and said Kargil is a beautiful place.

'Kalank' starring Madhuri Dixit, Sonakshi Sinha, Aditya Roy Kapur and Sanjay Dutt in the pivotal roles is expected to hit the screen on April 19, 2019.
