Today Morning, Coppell ISD School Bus accidentally caught fire. No one was hurt when the shocking incident happened around 7 a.m in the morning.

The incident was reported at Highway 161 near MacArthur Boulevard in Irving. This picture shared by the reports clearly explains that the bus was fully engulfed but the firefighters reached on time and quickly put off the flame.

At that time, only two students, a bus driver, and a monitor were on board and all of them moved out of the bus safely. The school and the parents of those two students were notified of the incident there and then. The exact cause of the fire is still not known.
