

Here's why launch guru Karan Johar is miffed with actor Kartik Aaryan?

Posted by [Sumit](#) | October 25, 2018

Kartik Aryan has become one of the most demanding actors of the tinsel town after the grand success of his films like "Sonu Ke Titu Ki Sweety". He has been listed among the A-list actors in the Bollywood industry. According to the reports, the actor has taken his short-term success very seriously and has become arrogant as well.

À

Karan Johar invited Kartik and Vicky to share the couch on his show but Kartik was apparently not comfortable and then Karan replaced him by Ayushmann Khurrana.
