

Love Field airport in Dallas adds new parking garage, lowers daily rates

Posted by [Sumit](#) | November 01, 2018

Love Field Airport in Dallas has given a major sign of relief to commuters. After years of parking problem faced by the people, a third parking garage has been opened today.

À

Yes, the third parking garage will add 5,000 new parking spots.

Not only this, the good news is that the city of Dallas has lowered the parking cost in its garages in order to attract furious travelers. So many travelers have turned to services like Uber as a way to avoid the parking hassle. But now the revised rates will start from as low as \$7 a day so plan your holidays now!
