

## Varun Dhawan's striking pose with 'Kalank' co-star Aditya Roy Kapur will make your day!

Posted by [Sumit](#) | November 02, 2018

Karan Johar's 'Kalank' is one of the most-awaited films of the running year that the fans are eagerly waiting ever since the filmmaker announced the making of this multi-starrer film featuring Alia Bhatt, Sanjay Dutt, Madhuri Dixit, Sonakshi Sinha and Kunal Kemmu in the lead role.Â Â

The star-cast of this film often share light moments from the sets in order to keep their fans updated about the release. Recently, Varun Dhawan shared a striking pose with his film co-star Aditya Roy Kapur from the sets of Indore. The two of them looks twins in black outfits and are all smiles for the camera.

The film 'Kalank' is expected to hit the screen, the next year.
