

Majority of Voters support Arlington term limits

Posted by [Sumit](#) | November 07, 2018

Arlington City Council is in news once again for term limits. Almost 60% of the voters have come together to support the mayor and council members limited to three two-year terms.

À

Adding term-limit will help voters get their city government back to citizens. Majority of voters, approx. 11,000 signatures were taken on a petition in order to add strength to the issue.

The mayor and other city council members tried to put their plan. They said the petition raised by the voters hardly represents what the city want!
