

Anushka Sharma's Pari is going to be a supernatural thriller

Posted by [Sumit](#) | February 27, 2018

Anushka Sharma is on cloud-9 post her marriage. She is coming with her production venture 'Pari' in next three days time. On the auspicious occasion of Holi, Pari will hit the big screen with a bang. Pari is going to be the supernatural thriller film with Anushka playing the lead role in the film.

Anushka Sharma tweeted to her fans on Tuesday that she is coming this Holi and there is no way to escape.

The new teaser of the film released opens up in a morgue and when you try to find out the actress, the evil spirit of her will be seen around. When the camera closes closer to her, the actress will bring your heart beats louder.

'Pari' is expected to hit the theaters on 2nd March this year. This is going to be a supernatural film that would change the view; the viewers have for the thriller film.
