

Cold weekend is in store for North Texas with heavy chances of rain on Sunday

Posted by [Sumit](#) | February 07, 2019

Early Thursday Morning wasn't a regular one for North Texans. If you slept through severe thunderstorms, you must have been known to the tiredness that you might be facing right now!

À

It is expected that temperature will drop below freezing on Friday morning and a cold weekend is expected in North Texas with heavy chances of rain increasing Sunday.
