Shah Rukh Khan-Gauri Khan's gorgeous daughter Suhana Khan has a great fan following on her Instagram account. The Star kid is all set to mark her debut in the Bollywood Industry. She recently shared her picture where she is playing the role of Juliet. The photo went viral on the Internet within seconds. She received lots of praises as well. All eyes are on this picture of the star kid now.

In this picture, Sunaha Khan is chilling out with her college pals. She looks gorgeous in her black jacket paired with track pants. This picture is good enough to remind everyone of his or her college days.

Suhana played Juliet from William Shakespeare's ' play Romeo And Juliet' in a play held last year. Her dotting father Shah Rukh Khan enjoyed watching her stellar performance. He shared her picture as well. Her fans are eagerly waiting for the young actress to enter Bollywood Industry and follow the footsteps of her father.
