Today, Indian Air Force (IAF) fighter jets crossed LOC into Pakistan and devastated terror camps with powerful bombs. This IAF airstrike was done to take revenge of the cowardly attack executed by Jaish-e-Mohammad (JeM) organization through suicide bomber Adil Ahmad Dar on an Indian security convoy in Pulwama some days back. This incident took away the lives of at least 40 Indian soldiers.

According to Vijay Gokhale, Foreign Secretary this "non-military pre-emptive action" that was based on "credible intelligence" that believed that JeM is planning more terror attacks on the soil. He further added that this airstrike has destroyed a terror camp driven by JeM chief Masood Azhar's brother-in-law Maulana Yusuf Azhar (Ustad Ghauri) and killed terrorists in order to protect our sovereignty.

Vicky's female lead star in the film, Yami Gautam, who played an intelligence officer in that film also praised IAF for giving a commendable response to the terrorists.

Our Prime Minister Narendra Modi addressed a public gathering in Rajasthan and assured that our country is in secure hands. When everyone chanted 'Modi! Modi!', he said "Saugand mujhe hai is mitti ki, main desh nahi mitne dunga (I take pledge of the motherland that I will never allow the nation to perish)"
