

This is what Mouni Roy has to say about playing main villain in Brahmastra

Posted by [Sumit](#) | March 18, 2019

Mouni Roy is one of the slow but steadily growing TV actresses who has managed to mark her place in the Bollywood. Bollywood actress wants to make versatile choices and was shocked when the filmmaker asked her to play the main villain in Ranbir Kapoor and Alia Bhatt starrer Brahmastra.

À

Mouni debuted with "Gold" starring alongside Akshay Kumar and now she is really excited for her role. Under the direction of Ayan Mukherji, the director might have found something in her skills that encouraged him to give this role to her. As an actress, she is willing to accept challenges and do versatile roles.
