

This picture of Kriti Sanon enjoying with her girl gang in Goa will give you major vacation goals!

Posted by [Sumit](#) | May 03, 2019

Kriti Sanon is one of the finest actresses of the tinsel town who has impressed everyone with her stellar performances in the films. The actress has managed to create a niche for herself with her good choices of films. She is currently on vacations with her girl gang and her pictures are proof that they will definitely give major vacation goals to her fans this summer!

À

She took to her Instagram and shared these pictures herself with her best buddies. We can truly say that Kriti is having the best time of her time on the beaches of Goa. She looked cool and pretty in her orange top paired with denim shorts. She looked like a beach babe. Her minimal make-up completed her overall look.
