Jury selection begins for father of 3-year old adopted daughter killer. The man has been accused of killing his special-needs daughter.
A

Wesley Mathews, the father of Sherlin Mathew will face the charge of capital murder for the killing of his 3-year-old Sherin Mathews. The incident happened in October of 2017.

According to police officers, he told officers that his daughter must be wandering away from their Richardson home after he gave her punishment of staying outside in the yard. But the dead body of the poor girl was later recovered from a drainage culvert, that was close to his house.
