

Katrina Kaif looks sizzling hot in this colorful monokini while enjoying waters of Mexico

Posted by [Sumit](#) | July 14, 2019

After impressing everyone with her stellar performance in Salman Khan's 'Bharat', Katrina Kaif has been away from her professional commitments to enjoy some quality time with her herself. The actress headed to Mexico for a short vacation.

We must say that Katrina is quite active on social media and often shares her photos and videos detailing her personal as well as professional life. Recently, this picture of the actress in her colorful monokini enjoying the waters of Mexico went viral. Earlier also, the actress had treated her fans by sharing a breathtaking bikini picture of herself and now she looks mesmerizing in her new pics.
