

Fort Worth: Driver hits fire truck that was blocking car crash on Interstate 35W

Posted by [Sumit](#) | July 29, 2019

Monday Morning wasn't the usual one on southbound Interstate 35W at Berry Street. A Fort Worth fire truck was blocking traffic after a car crashed into the wall.

À

The incident happened around 5:30 a.m. when the driver of one vehicle lost his control on the freeway and ended up hitting the wall. The first responder arrived at the scene and a fire truck pulled up to block the three right lanes to divert the traffic.
