Now the latest news is that this film will lock horns with Hrithik Roshan and Tiger Shroff's power-packed War and Telugu action film, Sye Raa Narasimha Reddy.

Under the direction of Todd Phillips, Joker is a dark story of DC's most notorious villain. Over the years, there have been so many films on Jokers but the most famous one is Heath Ledger's avatar of the DC villain in the film, The Dark Knight released in 2008.
