Bollywood's Khiladi Kumar Akshay Kumar marked his Tamil debut with Shankar's directorial 2.0 starring Rajinikanth in the lead. The film was expected to be India's most expensive one. In 2.0, Akshay Kumar played the role of an antagonist. After a year, while giving an interview, Akshay Kumar talked about his hard work behind the birdman look from the film.

À

Akshay Kumar played the character of an ornithologist, who later turns into a birdman when his own energy and birds' energy combine to form an aura. This birdman decides to destroy cell phones and its towers to remove harmful radiation coming from signals.

À

Under the production of Lyca Productions, 2.0 were made with a huge budget of Rs 543 crore. But the film failed to impress the audience because of its high budget.
