Salman Khan is actively promoting â€˜Loveratriâ€™™, his brother-in-law, Aayush Sharmaâ€™™s debutant film. Â

Â

According to the reports from the close sources, the actor Salman Khan was supposed to make a cameo in the film but he strictly refused to divert the attention of fans from Aayush to him.

Â

Now the recent news confirms that Salman Khan would come up with a song and dance sequence in the film.

Salman Khan drove his fans to go crazy for him when he announced the launch of a new girl. His fans were expecting to get the introduction of the girlfriend of the actor but later, it was revealed that Salman was talking about the female lead, Warina Hussein of this film.
