Kriti Sanon's latest release Housefull 4 is doing great at the box office. It seems that the actress is in no mood of taking rest.

Â

She is all set to star in her next film, Mimi. Today, Kriti took to her Instagram and announced her next project Mimi with the script and captioned the pic as "The most beautiful script I've read so far. and probably one of my most special ones MIMI starts today!! Pray that this journey is as spectacular as I dream of it to be.. need blessings!! Pray for me guys. Let's make a great film @laxman.utekar sir! @maddockfilms #Dinoo."
