Sara Ali Khan is one of the finest actresses of the tinsel town who never fails to make it to headlines whenever she steps out! Recently, she was snapped outside her gym. She was looking as fresh as mint as she got snapped in her gym-look. We must say that Sara has become a source of inspiration for many young fans to look for a healthy lifestyle.

Today, she was snapped carrying her million-dollar smile in her white tee paired with black running shorts bordered with neon-color stripes and yellow flip flops. She gracefully tied her hair in a single braid and accessorized it with an orange hairband. She looked a real diva in her gym outfit.
