Malaika took to her photo-sharing and shared this adorable picture with her son and wrote, her firstborn baby turns 17. He is her strength and her weakness and the most loving, understanding and sensible person in her life.

Malaika and Arjun ended their married life after 18 years of togetherness. Both of them are now dating separate people in their real-life. While Arbaaz is dating Giorgia Andriani, Malaika, on the other hand, is in a relationship with Arjun Kapoor.
