

## Parineeti Chopra looks as fresh as a morning dew in this latest selfie

Posted by [Sumit](#) | November 11, 2019

Parineeti Chopra is one of the busiest stars these days that is currently busy shooting for her two back to back. Currently, Parineeti is busy prepping up for Saina Nehwal biopic. We must say that the actress is an avid social media user and never hesitate to keep her fans updated about her personal as well as professional life. This time, she has shared a cool and refreshing picture of herself mentioning a much-needed break pic.

À  
The actress of 'Namaste England' fame took a three day off from the shoot to enjoy some spare time to the fullest. She looked stunning in her beach selfie from Goa. Her white crop top paired with red tracks and a pair of sunglasses completed her overall cute and gorgeous looks.
