Deepika Padukone and Ranveer Singh are all set to tie the wedding knot this year. The most-happening couple of the Indian cinema was always in news for their love-relationship but the duo always hesitated to speak about it in public.

À

According to the reports from the close sources, the parents of both, Deepika and Ranveer met each other for the first time and discussed the nuptials. This meeting involved an exchange of gifts and jewelry between the parents of both of the Bollywood stars.

Their wedding might be a private affair where they are planning to invite only close family members and friends.
