Tiger Shroff and Patani's film 'Baaghi 2', released on Friday, has made a tremendous record on the opening day. The film has become the biggest opening film of all time so far this year. On the very first day, 'Baaghi 2', which got the opening of 25.10 crores, became the highest opening film in any Bollywood star's movie. The film is now the biggest opener of 2018, it is well set to cross the Rs 50 crore mark today itself, which is Saturday, and break records aplenty. Å

Tiger Shroff has come up with a big concern for many new young talented actors such as Varun Dhawan, Siddharth Malhotra. Especially for Varun Dhawan, who is quite known among youth himself. However, the track record of Varun Dhawan has been good enough and he is the king in hit films.
