

Texas: Town East Mall temporarily evacuated, but police found no indication of firing of shots

Posted by [Sumit](#) | November 24, 2019

Saturday afternoon, Town East Mall was evacuated when someone reported that some shots fired.

À

According to reports from the officers'™ investigation, there were only some arguments between a group of people that extended to the throwing of chairs and trash cans but no clue of shots being fired was seen by the responding officers.

À

Some people who were inside the mall posted pics and videos of people leaving the mall.

Officers reached Mesquite Mall after 5 p.m. but could not find any indication of the firing of shots.

Responding officers reported that there was a group of 10 people involved in some altercation and threw chairs and/or trash but no shots.

No injury in this incident has been reported so far. Further details of the case will be disclosed soon.
