

Dallas: Country Singer and North Texas native Kylie Rae Harris drunk, driving 102 mph before deadly crash

Posted by [Sumit](#) | December 06, 2019

Country singer and North Texas native Kylie Rae Harris was drunk and driving at 102 miles per hour when she met with the deadly crash this fall season.

À

The officers have done their duty and completed the investigation into the 4th Sept crash in Taos, New Mexico.

À

According to reports from the Taos County sheriff, the 30-year-old singer had a blood-alcohol concentration of .28 9which is more than 3 times the permissible limit) when she hit another car from behind on Highway 522.
