Mouni Roy is one of the finest actresses of the tinsel town who is all set to star in Brahmastra™. The actress recently took to her social media handle and shared this pic which was taken in Manali. This picture of the actress with her film director Ayan Mukerji and co-star Ranbir Kapoor is too refreshing to miss!

This picture is from the Manali shoot that recently wrapped as we can see everybody protected in layers of clothes. Ranbir looked dashing as ever in his dark blue jacket, light blue denim, and same hue cap, Ayan Mukerji wore a dark-colored hoodie and military tracks. Mouni Roy, on the other hand, looked gorgeous in her all-covered look with different layers of clothing.
