Kareena Kapoor Khan and Saif Ali Khan are one of the lovely happily-married couples of the tinsel town who is currently in Ranthambore enjoying some me time with their son Taimur Ali Khan and family members. The Pataudis gathered to celebrate Sharmila Tagore's birthday on December 08, 2019.

Some pics and videos from their celebrations went viral and recently we came across these pictures of Kareena and Saif from Ranthambore and they are gazing at each other.

In these photos, we can see Kareena and Saif looking into the eyes of each other. Kareena looked gorgeous as usual in her beige sweater, high ponytail, and hoops, Saif, on the other hand, looked dashing as ever in his neutral-toned blazer.
