These pictures of Disha Patani and Aditya Roy Kapur will surely jealous of any boyfriend. We must say that both of them will really make a hot pair of on-screen. The two co-stars will be sharing the screen space in "Malang" and recently, both of them were snapped enjoying their sip of coffee together.

Both of them were captured when they were sharing some candid moments while sipping coffee.

Disha looked stunned in her casual hot shorts and a well-fitted tube top. Aditya, on the other hand, looked handsome as ever in his loose-fitted vest paired with ripped arms.
