Varun Dhawan, Bhumi Pednekar, and Kiara Advani are all set to share the screen space in Shashank Khaitan's upcoming project. According to reports from sources, the quirky entertainer has received the title.

If the reports from the close sources are to be believed, the film will be titled 'Mr Lele'. This will be for the first time; all three actors will be seen in their never-seen-before avatar. All three of them are prepping up for the film and it is expected that their film will go on floor in March 2020.
