

## Sanya Malhotra all set to play the lead role in Mohit Suri's next film

Posted by [Sumit](#) | April 06, 2018

Mohit Suri's next film is one of the hyped films of the Indian Film Industry that is expected to come in the next few months only. Aditya Roy Kapur has already signed the film. The filmmakers were working to finalize the female lead for the film. Kriti Sanon and Disha Patani were approached to play the lead role in the film.

The film is a love triangle where one girl is stuck between two boys. The filmmakers are yet to finalize the second male lead for the film.
