

Texas: Globe Life Field's first event is a high school graduation

Posted by [Sumit](#) | May 30, 2020

The first event at the all-new Globe Life Field was high school graduation.

Irving ISD's Jack E. Singley Academy hosted a ceremony at the new facility on Friday afternoon. It was the first graduation ceremony of 49 graduations from 18 different districts that will take place at the ballpark through the end of June.

Mariela Lara, graduating senior said, "All of my classmates are back here and I'm so proud of all of us. 375 seniors are in the Singley Class of 2020 and will graduate at the new stadium. This ceremony wasn't a part of their plan in August. But Irving ISD moved all of its ceremonies to the venue due to the coronavirus pandemic and strict restrictions imposed by the government.

Magda Hernandez, Irving ISD Superintendent said, "They worked hard, they deserve it, they made it to the finish line, so we're here. It was a great experience complete in itself with congratulatory messages from Texas Rangers players.

À

The ball club was happy to host this event and was learn from this experience.
