

## Amitabh Bachchan admires Ranbir Kapoor

Posted by [Sumit](#) | April 27, 2018

Amitabh Bachchan admiring someone is no less than getting an award in the Bollywood Film Industry. To taste the magic of this ward, ask Ranbir Kapoor who was lavishly praised by Big B with whom, the actor will soon the big screen space in his upcoming film, "Brahmastra".

Amitabh while taking to a publication house said that though he hasn't started working with Ranbir yet, he has seen him training child artiste on the sets of Sanjay Leela Bhansali's "Black" which was released in 2005.

Amitabh Bachchan was really impressed by the way, he(Ranbir) used to give the training to the young girl.
