Akasa Singh of hit songs like Kheench Meri Photo and Thug Ranjha was recently in Gurgaon for a show. The singer talked about her feelings for Delhi people, and she said, "The majority of people in Delhi are Punjabis, and my set has a lot of Punjabi music. Performing in Delhi is very exciting for me as people consume more Punjabi music here than in Bombay or anywhere else. The reaction Mujhe Dilli mein milta hai, woh kahin nahi hai. I love Delhi's crowd, Dilliwale bade crazy hain, they enjoy everything to the fullest. The audience as a whole is amazing,"
