

It's not easy for actors to make their place today says, Madhuri Dixit

Posted by [Sumit](#) | May 25, 2018

In this Digital world, cinema is not the only entertainment source of younger generation. There are so many other sources like Netflix, etc that these people use to get entertained in their spare time. Madhuri Dixit Nene firmly believes that life is not easy for the actors who are working with cinema to make their place.

À

Madhuri would also make a comeback on the small screen by judging a dance reality show.
