

'Padmaavat' actress Deepika Padukone all set to go to New York in style

Posted by [Sumit](#) | May 29, 2018

Deepika Padukone is one of the most-talked-about actresses of the Bollywood Film Industry who never fails to impress her fans with her stylish looks.

À

According to the reports from the close sources, the actress was spotted by the shutterbugs while she was headed to New York. The actress was seen wearing a white tee paired with high-waist denim and a long-coat. She absolutely looked like a chic.
