Kareen Kapoor Khan is currently enjoying the success of her latest release "Veere Di Wedding" that is expected to break all records of her previous films. After giving such a blockbuster film to the Indian cinema, the actress is not at all taking rest and all set to work together with Akshay Kumar in Karan Johar's next film.

À

According to the reports from the close sources, the actress is all set to romance Akshay Kumar in this film. Akshay Kumar will play the male lead.

Kareena and Akshay have shared the screen space so many times. The couple have shown sizzling chemistry on-screen in films like Rowdy Rathore, Gabbar Is Back, and Kambakkht Ishq.

Fans are eagerly waiting to see the lovely combination of the duo for one more time.
