

Megastar Amitabh Bachchan begins shooting for his upcoming film, 'Badla' in Glasgow

Posted by [Sumit](#) | June 16, 2018

Megastar Amitabh Bachchan is one of the super-busy actors these days who never hesitates to showcase his excellent skills on-screen. According to the reports from the close sources, Big B has started shooting for his upcoming film, 'Badla' under the direction of the legendary director, Sujoy Ghosh. The film shoot begins in Glasgow.

This 75-year-old versatile actor said that it took 9.5 hours on the road from London to Glasgow due to bad traffic and roadblocks.
