Akshay Kumar is one of the busiest actors of the Bollywood Film Industry who never fails to spare some quality time for his family-wife Twinkle Khanna, Son Aarav, and daughter Nitara. Every year this beautiful family spends exotic vacations abroad. Cape Town is one of the favorites of the family.

As of now, the loving family is enjoying vacations in London. The actor recently shared the picture of the family enjoying a musical evening at the West End in London. He further captioned the picture as, so much hard work and incredible performance given by the talented woman on-stage. He would have been dead if he was asked to do the same.
