

## The release date of Kapil Dev's biopic '83' starring Ranveer Singh shifted!

Posted by [Sumit](#) | July 05, 2018

Kabir Khan, the renowned filmmaker announced Kapil Dev's biopic '83' based on the iconic World Cup win of the country in 1983. Ever since the filmmaker has made this announcement with Ranveer Singh playing the lead role, the fans and the audiences are really excited to know about the exact release date of the film.

À

According to the reports from the close sources, there are no hopes of film launch by the mid of the year. It was expected that the film will release on 9th April 2019. Except for Ranveer Singh, no other film star has been finalized yet.À
