Kartik Aaryan is currently on the Cloud-9. After the grand success of his latest release, "Sonu Ke Titu Ki Sweety", the 29-year-old actor has now decided to do more films rather than doing just Luv Ranjan's.

According to the reports from the close sources, film producer Ajay Kapoor is very excited to begin work on this Hindi remake of a Kannada Super-hit film that surprised the fans and the audiences with its magical story-line.
